

This event honors Mark Ernst.
 Mark was the board president of the Door
 County Triathlon and the original visionary
 for hosting a triathlon at Murphy Park.
 Mark was also a tireless advocate
 for youth athleticism. He will be missed.

IMPORTANT INFORMATION

- Children will keep their bikes, running shoes and other gear in the "transition area" (boat launch).
- The swim will start and end at the boat launch ramp and adjacent beach (inside the transition area).
- Children will line up on the beach and start their swim individually every 5 seconds.
- We can provide flotation vests for the younger and/or more nervous swimmers.
- To make sure the kids go the proper distance, the buoys and turnaround flags on the swim course, bike course and run course are color-coded to match the wave colors of each age group (see above).
- There will be bleachers near the swim area to accommodate viewing.
 Parents are encouraged to watch the start and finish of the bike from the perimeter of the transition area.
- The finish line is at the main entrance on the north end of the park near the pier.
- Parents can watch their child cross the finish line near the barricades lining the finish chute, then reunite with them at the chute exit near the entertainment stage.
